You too should be proud of the depth and breadth of activity that our 3MBS delivers 24 hrs a day, without the security of government funding for operations.

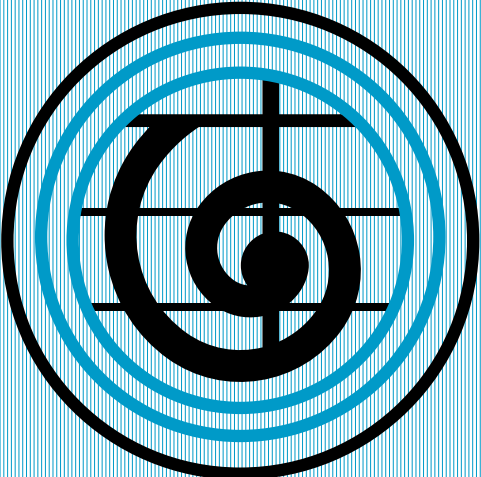

3MBS is a state-of-the-art community radio station with over 230 skilled volunteers who give their time freely. This cultural icon relies on community support for over half of the operating funds needed to stay **strong, independent** and **relevant**.

The 3MBS Ambassadors' Circle was established in 2009 with the support of enlightened Melburnians who value 3MBS as a unique local resource, integral to this city's cultural life.

I invite you to join me and my fellow Ambassadors in building a secure and sustainable future for our 3MBS.

**Betty Amsden OAM**  
President 3MBS Ambassadors' Circle
